MEMORANDUM FOR: All Analysts

SUBJECT: ORR Contribution to the Semi-Annual Report
to the President's Board of Consultants on
Foreign Intelligence Activities (1 April
through 30 September 1958)

The attached report was prepared to cover highlights of activities during the past half-year that are of major interest to the President's Board of Consultants on Foreign Intelligence Activities and adheres to an established format. As a consequence, this report does not cover all aspects of ORR activity and, specifically, it does not mention the very important basic research and other supporting activities which are essential underlying elements of many of the items reported in the attached contribution. Despite these limitations, we believe this paper will be of general interest to all analysts.
